Toronto, Ont.

Dear Sir :-

I have sent in an appeal to the Registrar, and as you said, am forwarding this note to you.

The facts are -

That I was

stanned in my Supplemental
Examination in Fourth
Year Latin. I have been
working on the Farm from
May till about the Middle
of August and if at
all possible, would like
to be relieved of this stan.
The Fourth Year Latin is
the only subject which is
lacking to my degree, which
will mean the loss of a
year at Faculty. This loss
would be very serious
to me as it will be

November 11th, 1918

Miss Rita M. Hood,

Stayner, Ont.

Dear Miss Hood:

You will have heard before this about the decision of the Revising Committee in regard to your Latin, and I regret to say that they have not reported favourably upon it. Mr. Prosser assures me that the paper has been again re-read, once before the original decision and again since your application. In these circumstances I do not know what else we can do for you, though I am very sorry that you find yourself in this position.

With kind regards, I am,

Yours sincerely,

Registrar.

difficult for me to
secure a position now.

I am continuing my
lectures at Faculty, until
I hear further words.

Thanking you in
advance for your trouble.

I have the honour to be,
Your obedient Servant,
Rita M. Hood.

Dear Sir Robert:-

Doubtless,
you will remember that
I interviewed you last
September about my

4.

I worked all summer
on a farm and am
now detained one year
because of this star. I
cannot afford to remain
idle, but cannot accept
a position until I get
my degree.

Hoping to receive
a favourable reply.

I have the honour to be,
Your obedient Servant,
Rita M. Hood.

star in Latin of the Fourth year. I entered an appeal, as you advised, to be brought before the Senate, and have also written twice to Mr. Brebner, who has not yet made any reply. Would you kindly let me know if this has been done?

I have enrolled in

the Faculty of Education but am hindered from going on any further because of this one star in Latin. I obtained Thirty-five marks in this subject at the September examination, and it seems to me, if my paper was re-considered that my mark would reach forty.
